Live surgery workshop organised

DC CORRESPONDENT

KAKINADA

Feb. 20: A first of its kind, 'live surgery workshop and scientific symposium on different specialities' was conducted by a corporate hospital, here on Sunday.

Using a high speed network, four live procedures were broadcast in different specialities that included orthopaedics, cardiology, bariatric surgery and spine surgery, right from the hospital's operation theatre at Hyderabad to the participants, here.

A two-way communication was also made available to facilitate interaction between the surgeons and the participants during the live procedures.
