Yashoda's scientific symposium

Express News Service
Khammam, March 14

YASHODA Hospitals, Hyderabad, organised a scientific symposium at Rajpath function hall here today. Speaking at the symposium, chief operating officer Dr R Chandrasekhar claimed that Yashoda Hospitals introduced several advanced medical techniques for the first time in the state.

Later, a bypass surgery performed by a team of doctors led by hospital managing director Dr GN Rao on a 42-year-old patient was telecast live from Hyderabad.

Yashoda Hospitals ENT chief Dr Narendra and others were present. Several local doctors attended the
