### About the Doctor

---

Dr. Kale Satya Sridhar is a Consultant Cardiothoracic Surgeon at Yashoda Hospitals, Secunderabad, with over 20 years of experience. He received his MBBS from Gandhi Medical College, Hyderabad, NTR University of Health Sciences in 1996, his MS in General Surgery from Kakatiya Medical College, Warangal, in 2002, and his MCh in Cardiovascular Surgery from G B Pant Hospital, Delhi University, in 2005. He is a skilled cardiac surgeon who specialises in mitral valve repair, aortic surgery, minimally invasive surgery, and heart failure surgery. At the Sri Satya Sai Institute of Medical Sciences, he has carried out more than 200 open heart surgeries in addition to more than 1,000 heart and thoracic surgeries on adults and children. He has performed coronary artery bypass grafting, valve repairs and replacements, aortic surgery, heart transplants, and complex congenital cardiac surgeries in neonates, such as arterial switch operations, extracardiac Fontan completion, Rastelli procedures, lateral tunnel total cavopulmonary connection, ALCAPA, TAPVC, single stage unifocalisation, intracardiac repair of tetralogy of Fallot, DORV and common AV canal defect, and Truncus Arteriosus. Dr. Kale Satya Sridhar is actively involved in the management and follow-up of patients' surgical, postsurgical, and intensive care needs. He has actively participated in and supported the organisation of over 50 CMEs throughout Andhra Pradesh and Karnataka.
