About the Doctor

Dr. Sanjeev Sasmith. B is a Consultant Plastic Surgeon at Yashoda Hospitals, Somajiguda, with over 16 years of experience. He received his MBBS and MS (General Surgery) from Kurnool Medical College, NTR University of Health Sciences, Andhra Pradesh, and his MCh (Plastic Surgery) from Nizam's Institute of Medical Sciences. He specialises in trauma reconstructions for extremity injuries and maxillofacial fractures (including pan facial fractures), cosmetic surgical treatments such as abdominoplasty, liposuctions, fat augmentation operations, and rhinoplasties; scar revisions; laser procedures such as scar reduction; facial rejuvenation; reconstructions for troublesome non-healing wounds; pressure sore flap surgeries; flap surgeries for sternal dehiscence; hand surgeries (elective) and general plastic surgery. He is skilled in the following procedures, which are only performed in a few clinics throughout India: finger/arm replantations; penile replantations; free flap reconstruction for trauma; post-cancer resections; reanimation of the face after facial palsy; cleft surgery; maxillofacial surgery; sternal wound dehiscence; filarial limb girth reduction surgery; and brachial plexus surgery.
