

## Dr. Kirti Ranjan Mohanty

**Qualification:** MBBS, MD (Gold Medallist)

**Department:** Radiation Oncology

**Designation:** Consultant Radiation Oncologist

**Languages:** English, Hindi, Telugu, Odia

**Experience:** 14 yrs

### About the Doctor

---

Dr. Kirti Ranjan Mohanty is a gold medalist in MD (Radiation Oncology) from the renowned Regional Cancer Centre, Cuttack, Odisha. He has worked in prestigious institutes like Tata Memorial Hospital, Mumbai, and the All India Institute of Medical Sciences (AIIMS) and gained enormous experience and expertise in treating cancer patients with care and compassion. He has published several articles in national and international journals, including reputed journals like the Journal of Clinical Oncology. He believes in the amalgamation of human intellect and modern technology to deliver the best possible treatment with minimum morbidity. He believes in evidence-based oncology practice and is very much involved in personal patient care. In his career of 11 years as an Oncologist, he has earned experience both in government educational institutes and private hospitals and has learned to dedicate more time to proper patient counselling and education before commencing treatment. For his dedication towards work and compassionate patient care, he was awarded Vaidya Siromani 2019, Award of Excellence in Oncology 2020, APJ Abdul Kalam Health and Medical Excellence Award 2021, etc., to name a few.
