

Dr. Krishnaveni Nayini

Qualification: MBBS, DGO, DFFP, MRCOG (UK), FRCOG, CCT (UK) Laparoscopic & Robotic Surgeon Fellowship in Reproductive Medicine(UK)

Department: Gynaecology & Obstetrics

Designation: Senior Consultant Obstetrician & Gynaecologist

Languages: English, Telugu, Hindi, Kannada

Experience: 25 yrs

About the Doctor

Dr. Krishnaveni Nayini is a Senior Consultant Obstetrician & Gynaecologist at Yashoda Hospitals, Hitec City, with over two decades of experience. She has worked in both India and the UK, earning multiple degrees and professional accolades throughout her career. She completed her MBBS from the BLDE Medical College and pursued her DGO from the Kurnool Medical College to specialize as an Obstetrician and Gynaecologist. In the UK, she obtained her Certificate of Completion Training (CCT) in Obstetrics and Gynaecology from RCOG London, along with a Fellowship of the Royal College of Obstetrics and Gynaecology (FRCOG). She has undertaken various certification courses and attended Advanced Specialist Training Modules (ATSM) to enhance her skills and provide the best possible care to her patients. With a passion for academic excellence, she has been recognized as a gold medalist and has published numerous scientific papers in National and International Gynaecology journals. She has also conducted audits and directed her research towards improving services and enhancing the overall patient experience. Having worked for twelve years in the United Kingdom, Dr. Nayini is a member of prestigious organizations such as the Royal College of Obstetrics and Gynaecology, the British Society of Gynaecology and Endoscopy, and the Faculty of Sexual and Reproductive Health in the UK. After returning to India, she has been working as an Obstetrician and Gynaecologist, specializing in infertility, colposcopy, hysteroscopy, and laparoscopic services. Additionally, she offers comprehensive care for pregnant women, including antenatal, intrapartum, and postnatal services. Dr. Krishnaveni Nayini is dedicated,

enthusiastic, and well-known for her compassionate approach in delivering safe and high-quality care to her patients.
