### About the Doctor

---

Dr. Sayuj Krishnan S is a Consultant Neurosurgeon at Yashoda Hospitals, Malakpet. He is renowned for his pioneering advances in Minimally Invasive Brain and Full Endoscopic Spine Surgeries. He has performed over 10,000 Brain and Spine Surgeries and excels in complex procedures and innovative techniques, including Awake Brain Surgery, Cisternostomy, Full Endoscopic Spine Surgeries, Robotic Endoport Evacuation for Intracerebral Haemorrhage and Scoliosis Surgery. He has ample experience with Robotic (ROSA) Guided Deep Brain Stimulation (DBS) and has pioneered Full Endoscopic Spine Surgeries for Cervical, Thoracic, and Lumbar Spine Pathologies. An invited faculty at prestigious medical conferences, Dr. Sayuj Krishnan has spoken on Full Endoscopic Spine Surgery at the State IMA Conference (2002) and the Kerala State Neurosurgery Conference (2023). He has performed over 1,000 Full Endoscopic Spine Surgeries. He is committed to patient-centric care and continuous advancements in Neurosurgery.
