Experience

- Currently working as a Consultant Vascular and Endovascular Surgeon at Yashoda Hospitals, Malakpet
- Sep 2021-May 2024: Consultant Vascular Surgeon, KIMS Hospitals, Secunderabad

Services Offered

- Angioplasty/Stenting and Bypass for Peripheral Arterial Disease
- Embolectomy and Thrombectomy for Acute Limb Ischemia
- Open Surgical Bypass Procedures (Aortofemoral/Femoral Popliteal/Femorodistal Bypass)
- Emergency Trauma Reconstruction for Vascular Injuries (both Lower Limb and Upper Limb Bypass)
- Aortic Aneurysm Repair (Open and Endovascular)
- Carotid Endarterectomy and Carotid Stenting
- Thrombolysis (Mechanical, Mechanochemical and Catheter Directed Thrombolysis for Deep Vein Thrombosis)
- Varicose Veins Management
 - a) Endogenous Laser Ablation
 - b) Radiofrequency Ablation
 - c) Glue Therapy
 - d) Foam Sclerotherapy
- Diabetic Foot Management
 - a) Non Healing Ulcer Management
 - b) Offloading Manoeuvres
 - c) Corrective Osteotomies
 - d) Tenotomy for Claw Toes
- Venous Ulcer Management
- Dialysis Access
 - a) AV Fistula Creation (Radiocephalic and Brachiocephalic)
 - b) Arteriovenous Graft for Hemodialysis
 - c) Permcath Insertion
 - d) Central Vein Angioplasty
 - e) Fistula Angioplasty
 - f) AV Fistula Salvage
- Management of Venous Hypertension
- Brachio basilic AV Fistula
- Fistula Ligation
- Fistula Banding in High Flow AV Fistula
- Proximalization and RUDI for Fistula Salvage
- Patch Angioplasty for AV Fistula and AV Grafts
- Catheter Directed Thrombolysis for Thrombosed AV Fistula and Grafts
- Management of Arteriovenous Malformations (Coiling, Glue, Particle Insertion)
- Management of Venous Malformations (Sclerotherapy & Surgical Excision)
- Management of Abnormal Uterine Bleeding (Uterine Artery Embolisation) Skin

Grafting

- Amputation (Below Knee, Above Knee, Transmetatarsal, Transtarsal, Below Elbow, Above Elbow)
- Vacuum Assisted Closure for Non Healing Ulcers
- PRP for Non Healing Ulcers and Plantar Fasciitis
- Plastic Procedures

Awards and Achievements

- APJ Abdul Kalam Award for Doctor Couple 2023

Professional Membership

- Venous Association of India, Bangalore
- Vascular Society of India, Bangalore
- American Venous Forum, East Dundee, Illinois
