

Dr. Pawan Poddar

Qualification: MD (AIIMS), DM (PGI), FSCAI, FESC, FACC

Department: Cardiology

Designation: Director of Cath Lab and Senior Consultant Interventional Cardiologist

Languages: English, Hindi, Telugu

Experience: 16 yrs

About the Doctor

Dr. Pawan Poddar is one of the leading cardiologists in the city. He has done his post graduation in Internal Medicine from the All India Institute of Medical Sciences (AIIMS), New Delhi and his DM in Cardiology from the Post Graduate Institute of Medical Education and Research (PGIMER), Chandigarh—two of India's most prestigious medical education institutes. His work ethics and commitment to patient care are unparalleled and he is passionately involved at all levels of patient management. He is a very skilled interventionist, performing a large number of complex interventions.

Educational Qualifications

- 2002: MBBS, Osmania Medical College
- 2006: MD Internal Medicine, AIIMS, New Delhi
- 2009: DM Cardiology, PGIMER, Chandigarh

Experience

- Dr. Pawan Poddar is an astute clinician with vast clinical experience. He is one of the leading Cardiac Physician in Hyderabad. He has done more than 15,000 diagnostic coronary angiograms and more than 3,500 coronary angioplasty and

stenting procedures, including complex coronary interventions like chronic total occlusions, bifurcation stenting, and saphenous venous graft interventions. His areas of interest include complex coronary interventions and structural heart interventions like TAVR and valve in valve procedures. He has done a lot of complex coronary interventions using intracoronary imaging modalities like IVUS and OCT and also used calcified plaque modulating techniques like rota ablation and intravascular lithotripsy (IVL). He has done a large number of peripheral interventions (including renal and carotid angioplasty and stenting), more than 300 permanent pacemaker implantations (including ICD and CRT implantations), numerous pediatric right and left heart cardiac catheterizations, and also pediatric structural interventions like ASD, VSD, PDA, and RSOV device closures.

Services Offered

- Coronary Angiography
- Coronary Angioplasty and Stenting
- Complex Coronary Interventions like Left Main Stenting, Bifurcation Stenting, Interventions for Chronic Total Occlusions and Saphenous Vein Graft Interventions
- Coronary Imaging like Intravascular Ultrasound (IVUS) and Optical Coherence Tomography (OCT) Guided Coronary Interventions
- Fractional Flow Reserve (FFR) Guided Coronary Interventions
- Rotablation and other Calcified Plaque Modifying Techniques like Intravascular Lithotripsy (IVL)
- Carotid Stenting with Protection Devices
- TAVR including Valve in Valve Procedures
- Percutaneous Transvenous Mitral Commissurectomy (PTMC)
- Mitral Valve in Valve Procedures
- Device Closures for Atrial Septal Defect (ASD), Ventricular Septal Defect (VSD), Patent Ductus Arteriosus (PDA), Ruptured Sinus of Valsalva (RSOV)
- Pacemaker Implantations including Single and Dual Chamber Pacemakers
- Micra Leadless Pacemaker Implantation
- Cardiac Resynchronization Therapy (CRT)
- AICD Implantations
- Pediatric Cardiac Catheterizations
- Aortic Stent Graft Procedures including TEVAR, EVAR and Stenting for Coarctation of Aorta
- Dedicated Heart Failure Clinic with a successfully running Heart Transplant Program

Awards and Achievements

- Chikitsha Ratna Award from Agrawal Samaj, Andhra Pradesh, 2010
- Bhagwan Dhanvantir Sadbhavna Puruskar from Bharatiya Sanskruti Nirman

Pasishad, Hyderabad, 2012

- Received Gold Medal in the subject of Biochemistry during Undergraduate Training
- Received Best Case Award in Challenging Cases Sessions at 9th Asia Pacific Vascular Intervention Course/Fellows Course, 2017
- Received Most Promising Interventional Cardiologist (in Hyderabad) Award at International Health Care Awards at Mumbai, 2017
- Recognised as one of the most inspiring Cardiologist of India by Economic Times during Doctor's Day Enclave at New Delhi, 2019

Professional Membership

- Life Member-Cardiology Society of India
- Life Member-Paediatric Cardiology Society of India
- American College of Cardiology
- European Society of Cardiology
- Society for Cardiac Angiography and Interventions
