About the Doctor

Dr. Srinivas Botla is a Senior Consultant Neurosurgeon at Yashoda Hospitals, Malakpet. He is a highly skilled neurosurgeon and spine specialist with over a decade of extensive experience in his field. He began his medical journey at the esteemed Kakatiya Medical College, Warangal, where he completed his MBBS. He successfully completed an MS in General Surgery and an MCh in Neurosurgery at the prestigious Osmania Hospital, Hyderabad. Following that, he completed a Fellowship in Functional Neurosurgery at Jaslok Hospital, Mumbai. He specialises in treating complex brain and spinal disorders, and his patients come from all over India and even abroad to receive his exceptional care. Dr. Srinivas Botla is known for his gentle demeanour and empathetic approach towards his patients, and he firmly believes in spending ample time with each patient to fully comprehend their problems and provide the best possible care.
