

Cordially invites you to
the Scientific Program
and Workshop

ACCC 2025

ADVANCED COURSE IN CLINICAL CARDIOLOGY

Insight into Recent Advances & Best Practices in Heart Care

5th Floor Auditorium, Yashoda Hospitals, Hitec City

June 14 & 15, 2025

Applied for TGMC Credit Points

RSVP: Mr. Naveen Reddy - 995 991 8967
Mr. Naresh - 915 497 5826

**EXCELLENCE
IN HEART
CARE**

In the past few decades, advances in medicine and technology have redefined the healthcare industry. This is especially true in the field of Cardiology, where innovative approaches to scientific enquiry have led to better care, transforming everyday practice. Recent advances have included minimally invasive surgery and robotic surgery as alternatives to major heart surgeries, making the treatment of complex cardiac conditions easier, thereby ensuring better quality care.

Yashoda Hospitals has evolved into a center of excellence for cardiac care with the most advanced equipment to facilitate complex procedures and round-the-clock emergency services. Some of the highlights of Yashoda Heart Institute include:

Largest team of Cardiologists in the Region, available 24/7 | First Ever Inter State Heart Transplant in the Region | The First Combined Heart-Lung Transplant in Telangana and AP | Unmatched record of 40,000 successful procedures per annum | World-class facilities for Ventricular Assist Devices, Pacemaker & ICD implantations | Dedicated Heart Rhythm Clinic

Keeping in line with the idea of sharing knowledge for progress, Yashoda Hospitals is proud to organise the biennial **ACCC** (Advanced Course In Clinical Cardiology) **2025** - An Interventional Cardiology Update, to align with the commitment to share experiences with the world. The agenda is to understand the needs of the everyday practice of Cardiology and work towards making it better. The conference follows an interesting structure of lectures and discussions of the technological and therapeutic advances in the field.

I hope this scientific programme will present and critically assess recent advances and key topics in Cardiology to enhance the knowledge of the participants.

Dr. G. Surender Rao
Managing Director,
Yashoda Hospitals

Dr. Pavan Gorukanti, MD
Pulmonary & Critical Care (ABIM),
Director - Yashoda Hospitals

Dear Doctor,

Greetings from Yashoda Group of Hospitals

We are hosting a two day course with live workshops featuring the latest advances in Cardiology, continuing with the rich tradition of furthering academic excellence in Cardiology.

The first half of the program is intended for all clinicians involved in cardiac care including Physicians and Cardiologists. The second half is exclusively tailored to impart case based learning to upcoming young Interventional Cardiologists to familiarize them with the nuances of Interventional Cardiology in a variety of situations in the Cath lab.

The program is mentored by a host of distinguished national and international faculty with decades of experience in the field. Please block your dates on 14 and 15 June for a rich academic experience at the **ACCC** (advanced Course In Clinical Cardiology) 2025.

We look forward to seeing you there!

COURSE CHAIRMAN

Dr. V. Rajasekhar

Sr. Consultant Interventional
Cardiologist & Electrophysiologist,
Certified Proctor for TAVR
Clinical Director
Yashoda Hospitals, Hitec City

COURSE CHAIRMAN

Dr. V. Rajasekhar
Sr. Consultant Interventional
Cardiologist & Electrophysiologist,
Certified Proctor for TAVR
Clinical Director
Yashoda Hospitals, Hitec City

COURSE DIRECTOR

Dr. Bharat Vijay Purohit
Sr. Consultant Interventional
Cardiologist
Director of Cath Lab
Yashoda Hospitals, Hitec City

COURSE COORDINATORS

Dr. Gopi Krishna Rayidi
Sr. Interventional Cardiologist
Yashoda Hospitals, Hitec City

Dr. Kala Jeethender Jain
Consultant Interventional Cardiologist
Yashoda Hospitals, Hitec City

Dr. Vikram Reddy Aerra
Sr. Consultant Cardiothoracic Surgeon
Yashoda Hospitals, Hitec City

ORGANISING COMMITTEE

Dr. Kaushik Mynam
Associate Consultant
Interventional Cardiologist

Dr. Vinay Kumar Sajja
Associate Consultant
Interventional Cardiologist

**Dr. Satya Sudhish
Nimmagadda**
Associate Consultant
Interventional Cardiologist

**Dr. Siva Sankara Reddy
Talapareddy**
Associate Consultant
Cardiothoracic Surgeon

Dr. Sajjad Rashid
Associate Consultant
Interventional Cardiologist

Dr. Vikrant Mannikar
Associate Consultant
Interventional Cardiologist

Dr. Pavan Teja
Associate Consultant
Interventional Cardiologist

INTERNATIONAL FACULTY

Dr. Eva Rumiz González
Consultant Interventional
Cardiologist
Consorci Hospital
General Universitari de València,
València, Spain

Dr. Upul Wickramarachchi
Consultant Interventional
Cardiologist
Lanka Hospitals, Colombo,
Sri Lanka

**Dato' Dr. Tamil Selvan
Muthusamy**
Consultant Cardiologist
CVSKL Hospital, Kuala Lumpur, Malaysia

Dr. Christopher Raffel
Consultant Clinical &
Interventional Cardiologist
Prince Charles Hospital, St Andrew's War
Memorial Hospital, Brisbane, Australia

COURSE HIGHLIGHTS

**Attending 20+ National Faculty
around the country**

**Reputed National &
International faculty**

**In-depth knowledge to develop
expertise in various Cardiology
Sub-specialties**

**Solid foundation for those starting their
cardiology journey, covering core
concepts & common conditions**

**Specialization in areas like Electrophysiology,
Non-invasive & Invasive Cardiology, Heart Failure
Management, and Cardiac Intensive Care**

**Covers Interventional Cardiology,
including procedures like Angioplasty
& Stent placement**

**Case-based learning approach to
facilitate Comprehension &
Clinical decision-making**

PROGRAM SCHEDULE

DAY 1 - June 14, 2025

10:00 am - 11:30 am	SESSION-1	
10:00 am - 10:20 am	Topic	: Tackling Resistant Hypertension: Case Scenarios, Focus on Renal Denervation
10:20 am - 10:40 am	Debate	: Fad Diet vs Evidence-Based Diet for Heart Health
10:40 am - 11:00 am	Topic	: Pulmonary Thromboembolism (PTE): Interventional Management
11:00 am - 11:25 am	Topic	: Lipid Lowering - How Low?, Focus on New Molecules (Inclisiran, Bempedoic Acid, PCSK9)
11:25 am - 11:30 am		: Tea Break
11:35 am - 12:00 pm		: Inauguration
12:00 pm - 01:20 pm	SESSION-2	
12:00 pm - 12:20 pm	Topic	: Rhythm Control in AF: Newer Techniques
12:20 pm - 12:40 pm	Topic	: NOAC vs Warfarin: Court Case
12:40 pm - 01:00 pm	Topic	: Optimization Challenges to Drug Therapy in HFrEF
01:00 pm - 01:20 pm	Topic	: Conduction System Pacing: State-of-the-Art
01:20 pm - 01:45 pm		: Live Case Demonstration
01:45 pm - 02:30 pm		Lunch Break
02:30 pm - 04:10 pm	SESSION-3	
02:30 pm - 02:50 pm	Topic	: MINOCA / INOCA: How Do You Approach?
02:50 pm - 03:10 pm	Topic	: CT Calcium Score / CT CAG for CAD Screening: Current Relevance
03:10 pm - 03:30 pm	Topic	: Managing Antithrombotic Therapy Post - PCI During Non-Cardiac Surgery
03:30 pm - 03:50 pm	Topic	: Refractory Angina with Complex CAD (Unsuitable for PCI / CABG): What Next?
03:50 pm - 04:10 pm	Topic	: Mechanical Circulatory Support (MCS) in High-Risk PCI

PROGRAM SCHEDULE

DAY 1 - June 14, 2025

04:10 pm - 06:00 pm	SESSION-4	
04:10 pm - 04:30 pm	Topic	: Vascular Access & Closure - Step by Step
04:30 pm - 04:50 pm	Topic	: TAVR vs SAVR in Age Group 60 - 79
04:50 pm - 05:10 pm	Topic	: Edge-to-Edge Mitral Repair - Step by Step
05:10 pm - 05:30 pm	Topic	: MCS - Assisted High-Risk PCI
05:30 pm - 06:00 pm		: Live Case-Structural Interventions
07:30 pm Onwards		: Dinner

PROGRAM SCHEDULE

DAY 2 - June 15, 2025

10:00 am - 11:40 am	SESSION-1	
10:00 am - 10:20 am	Topic	: PCI in the High Bleeding Risk (HBR) Patient
10:20 am - 10:40 am	Topic	: Strategies for Calcium Modifications
10:40 am - 11:00 am	Topic	: Imaging - Guided PCI: Standard of Care?
11:00 am - 11:20 am	Topic	: Imaging Guided PCI-Should it become a Standard Practice?
11:20 am - 11:40 am	Topic	: Metal-less PCI: State-of-the-Art
11:40 am - 11:50 am		: Q&A
11:50 am - 12:00 pm		: Tea Break
12:10 am - 02:00 am	SESSION-2	
12:00 pm - 12:20 pm	Topic	: Cardiac Rehabilitation: Role of CPET
12:20 pm - 12:40 pm	Topic	: Drug Eluting Balloons-Newer Horizons, Expanded Indications for Coronary Interventions
12:40 pm - 01:00 pm		: ICU Arrhythmias: Diagnostic Approach
01:00 pm - 01:20 pm	Topic	: Artificial Intelligence in Cardiology
01:20 pm - 01:40 pm	Topic	: Imaging based complex angioplasty
01:40 pm - 02:00 pm	Topic	: Postgraduate Quiz Program
02:00 pm Onwards		: Lunch

CENTER OF EXCELLENCE
