

EndoConnect 2026 – E-Poster Presentation Guidelines

Conference Details

Conference Date: 1st March 2026

Submission Deadline: 20th February 2026

1. Topics for E-Poster Presentation

The following themes are encouraged (but not limited to):

- Beyond the Pelvis: Atypical Clinical Presentations of Endometriosis
- Cesarean Scar Endometriosis: Spectrum of Clinical and Imaging Presentations
- Ultrasound Mapping of Deep Infiltrating Endometriosis: A Practical Approach
- Myths vs Facts About Endometriosis
- Impact of Endometriosis on Quality of Life and Mental Health

2. Eligibility

- E-poster submissions are open to **postgraduates, fellows, and researchers**.
- Only **original work** (research, audits, case series, or interesting cases) is encouraged.
- Submissions must **not have been previously published**.

3. Poster Format & Technical Specifications

- Posters must be submitted **only in electronic format (E-Poster)**.
 - **File format:** PDF or PPT (single slide only)
 - **Orientation:** Portrait (preferred)
 - **File size:** Maximum 10 MB
 - **Language:** English
-

4. Content Guidelines

Each E-poster should include the following sections:

- Title (concise and informative)
- Author(s) name(s) and affiliation(s)
- Introduction / Background
- Objectives
- Methodology
- Results / Findings
- Discussion
- Conclusion
- Key references (if applicable)

Please use clear headings, readable fonts, minimal text, and high-quality images or graphs. Avoid overcrowding the poster.

5. Presentation & Display

- Accepted E-posters will be **displayed digitally** during the conference.
- Selected posters may be invited for a **short oral discussion**, at the discretion of the Scientific Committee.

6. Review & Acceptance

All submissions will be reviewed by the **Scientific Committee**.

Acceptance will be based on:

- Scientific merit
- Relevance
- Clarity
- Originality

The decision of the committee will be **final**.

7. Submission Process

E-posters must be submitted **on or before 20th February 2026**.
